

We provide **Authentic Montessori education** for toddlers, walking to 3 years.

PARENT & TODDLER PROGRAM

Northside Montessori School's Toddler Program is for children walking to 3 years of age. Attended by both a parent or carer together with the child, the Program runs on Wednesday, Thursday and Friday from 8:30am - 10:15am.

Our Montessori Toddler Program focuses on:

- Practical life skills, e.g. food preparation and clean up
- Language acquisition, e.g. greeting, singing and story time
- Sensory development, movement to music
- Fine motor control, creative work and outdoor play

Our authentic Montessori environment encourages independence, a love of learning, positive parenting and stronger child-adult connections.

The best beginning... teach me how to do it myself.
